The canteen is seeking volunteers for Term 2. If you are available on Mondays or Thursdays (even if it’s only for an hour or so) we would appreciate it if you can help in the canteen. The canteen is a major benefactor to school funding and if there aren’t enough volunteers, it may be forced to either close or open only once a week.

No experience is necessary. Your children will be happy to see you and you get to supply them with yummy food. In return you get lunch, plenty of tea and coffee and friendship, together with the satisfaction of doing something really worthwhile with your day.

Thank you
Canteen Committee
