CANTEEN MENU TERM 1 2014
HOW TO WRITE A LUNCH ORDER

For any enquiries please call Alexia O’Sullivan on 0408 755 291

- You need to supply your own bag. Please make sure that it is paper and big enough to fit the food that your child has ordered. Bags can be purchased from the canteen at a cost of 20 cents each. **If you choose to recycle a bag, please ensure that it is clean and without any food left in or on it.**
- If you do not have a bag your child will be charged an extra 20 cents.
- Please write your child’s name and class CLEARLY on the top of the bag so that there is no delay when your child collects his or her lunch.
- Please include correct money in your child’s order where possible. If this is not possible, change will be returned in the lunch order bag. Please tell your child to look for this taped to the outside of the bag.
- If you have more than one child with a lunch order, please write a separate order for each child. You can place all money in the same bag. Please write on each bag which child’s bag the money is in, together with which class they are in.
- Children will need to put their lunch order in the canteen basket in their classroom. The canteen will not be open before 9am.
- If your child’s order is handed in later than 11.00am we will do everything that we can to give your child what they have ordered but sometimes this is not possible. In the event this happens, we will offer your child what alternatives we can.
- Ice blocks, ice creams and fruit break items **cannot** be ordered with lunch orders. If your child will be purchasing these items, he or she will need to come to the canteen for fruit break items at the beginning of fruit break to purchase them. There is only a limited number of each item and they will need to get in early to avoid disappointment. Ice creams and ice blocks are available at lunch time after the children have eaten their lunch. They can purchase their ice cream and ice blocks from 1.15pm to 1.30pm so that the ice cream or ice block is finished before going back to class when the bell rings.
- Mistakes sometimes happen. If your child’s lunch order is not made up correctly, please tell them to come and see us so that we can correct it. If they are shy, tell them to bring a friend or see the teacher on duty.
- Your co-operation is appreciated. Please remember that the canteen is staffed by volunteers and their job is made easier when lunch orders are written correctly.
- We are always in need of volunteers, so feel free to come and see us and give it a try to see if you would like to become a part of our friendly happy team or, if you have unexpected free time, come in for an hour or so and help out, meet new people and have a laugh. Your child loves to see Mum, Dad, Nan, Pop or care giver in the canteen.

Thank you
